Tender Management

Funzionalità chiave:

- Scrivania intelligente a supporto del Tender Manager
- Manager Assistant sempre a disposizione per rispondere alle domande in linguaggio naturale
- Disponibilità di FAQ per tipologia di utente e fase del processo
- Supporto all'analisi di mercato attraverso un'interfaccia dedicata
- Possibilità di generare report con le informazioni raccolte durante il progresso

Pseudonimizzazione

Funzionalità chiave:

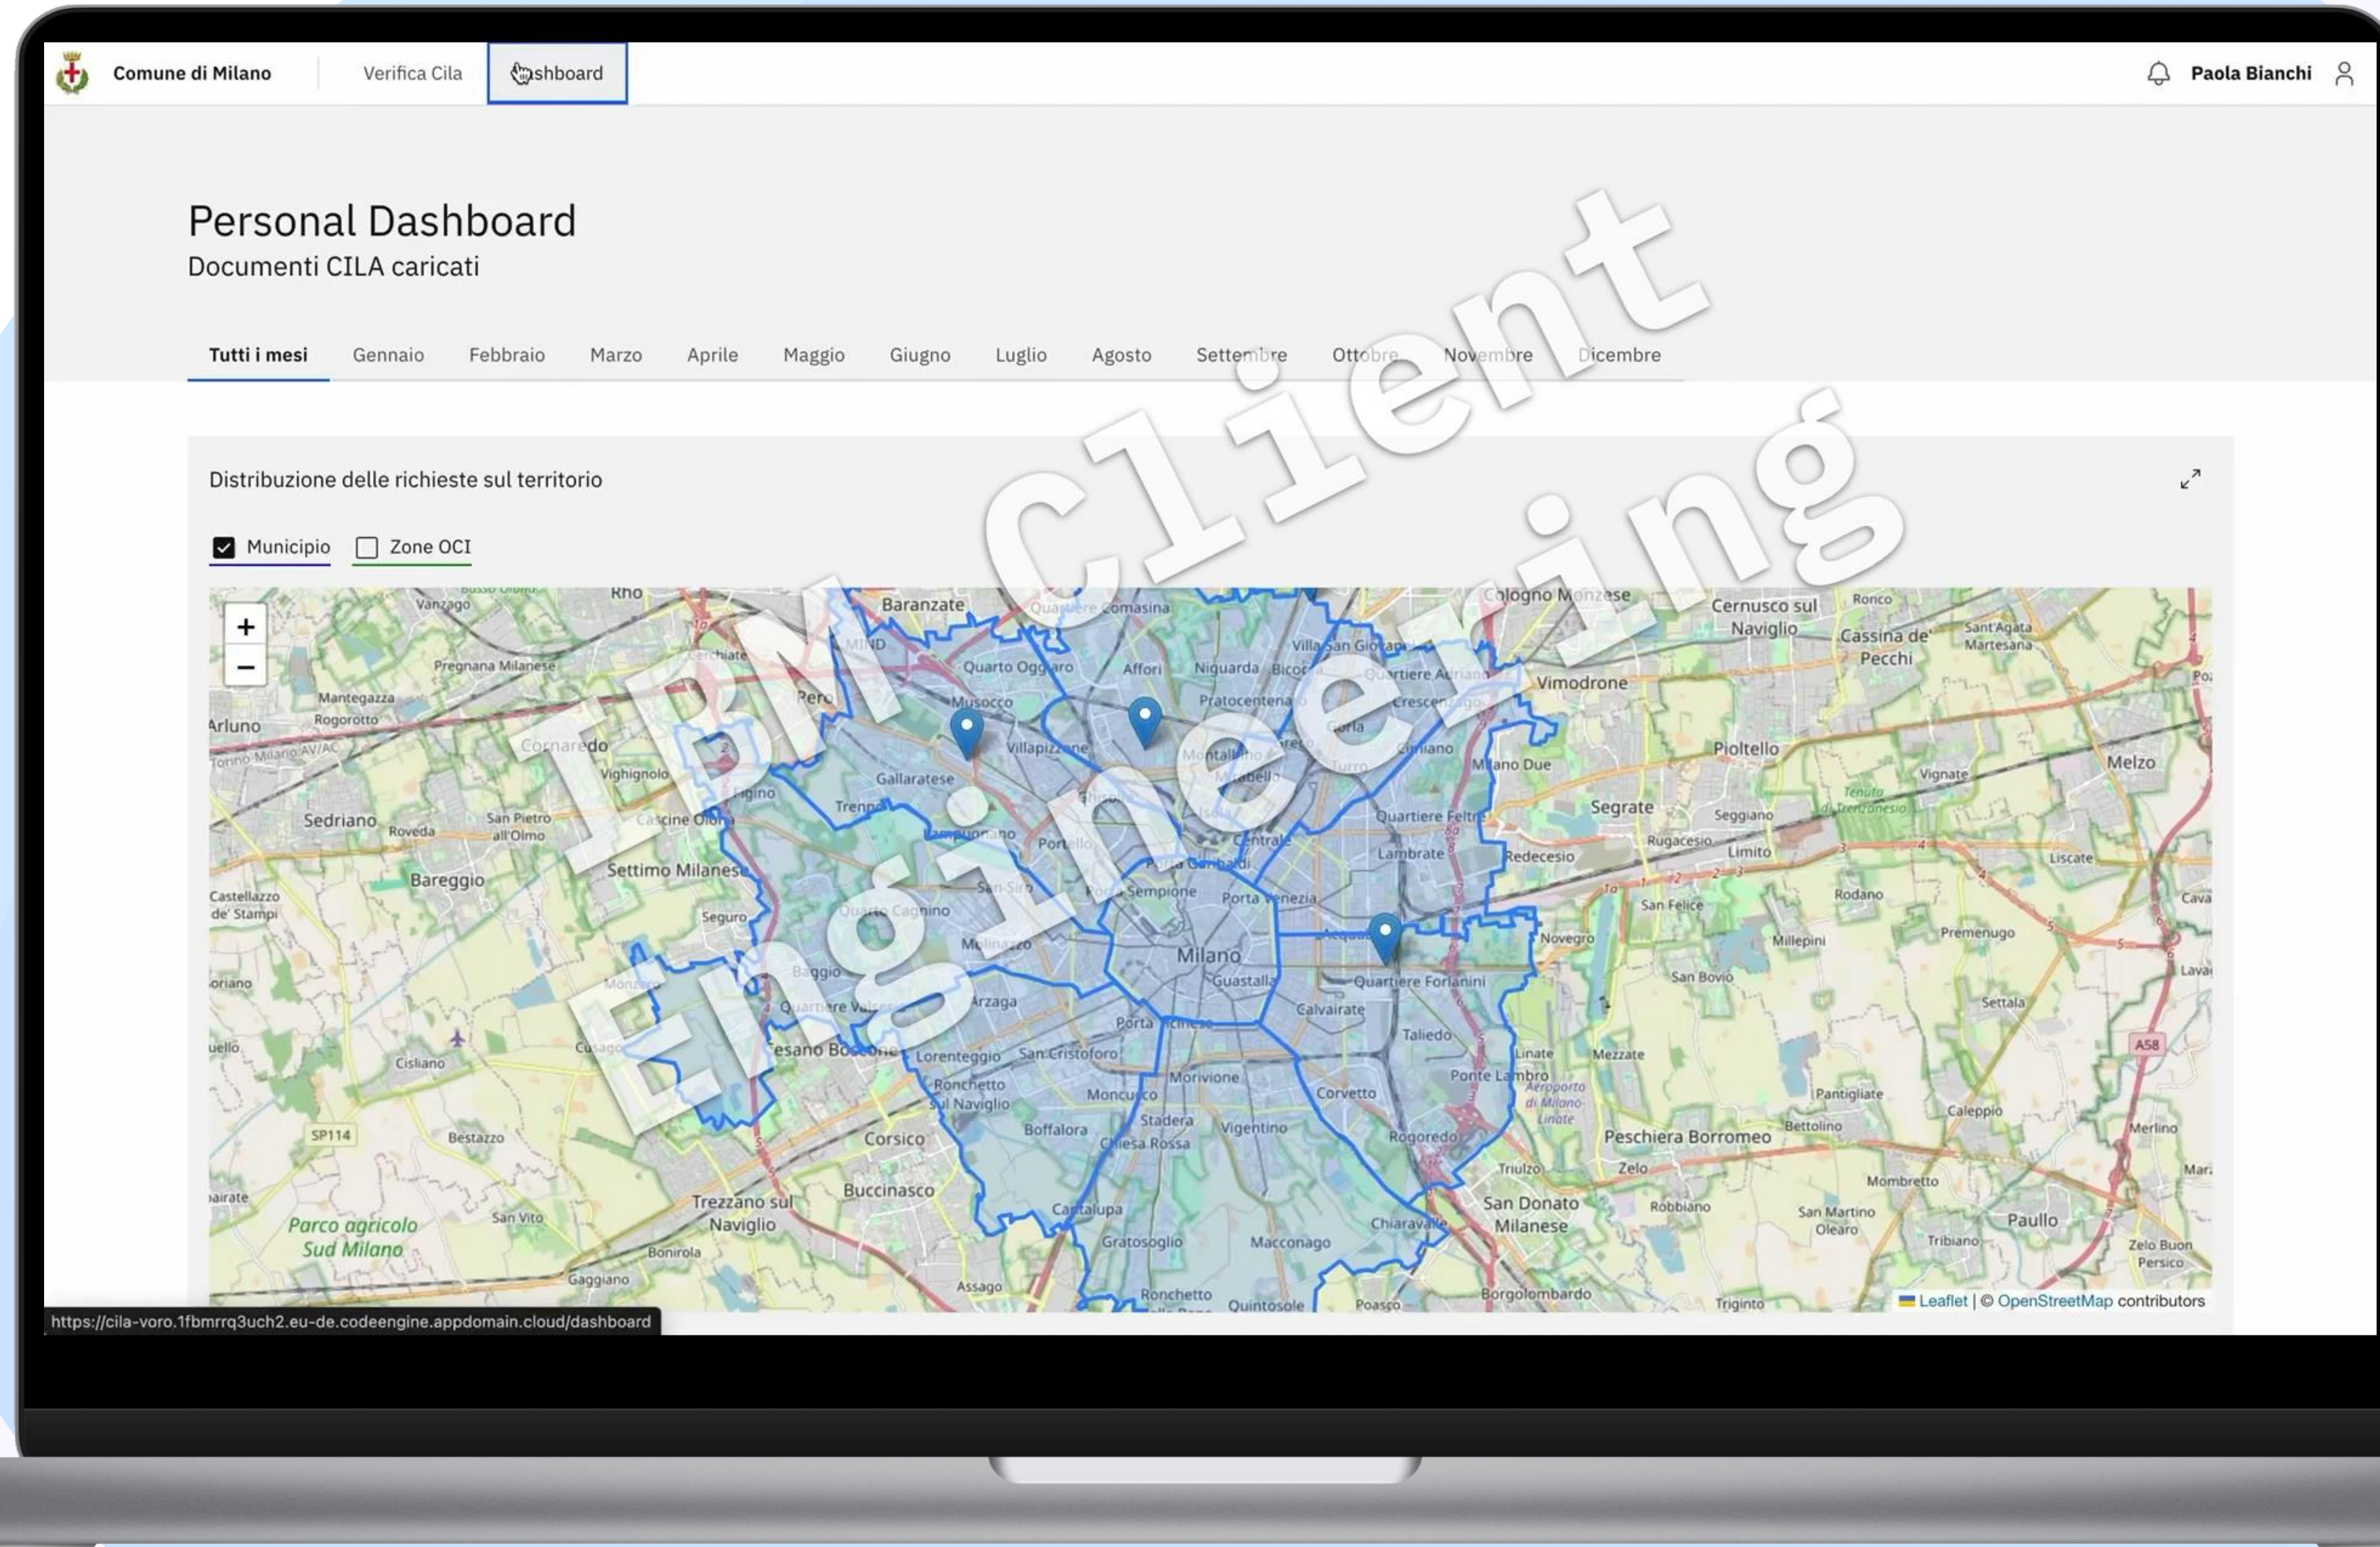

- La pseudonimizzazione permette di associare ad ogni entità identificata un tag opportuno.
- Possibilità di mettere a confronto il documento originale con la versione pseudonimizzata
- Possibilità di esportare in formato xls le chiavi di pseudonimizzazione

CILA Assistant

Funzionalità chiave:

- Analisi automatizzata delle richieste di CILA (Comunicazione Inizio Lavori) con **riduzione tempi da ore a minuti**.
- Precisione **del 96,5%** nella comprensione dei campi e **dell'82%** nell'estrazione/trattamento dati.
- Scalabile per futuri servizi digitali a supporto di professionisti e cittadini.

Christmas Day (Observed)

December 25, 2025

You 11:39 AM

How do I enroll in my benefits?

AskHR 11:39 AM

To enroll in your benefits, follow these steps:

1. Log on to NetBenefits.

2. Access your Benefits Enrollment page.

3. Review and update your coverage for the upcoming year.

4. Once you've made your selections, save and submit them on your Benefits Enrollment page. Remember, your elections won't be saved unless you select 'Save & Submit'.

5. You can modify your elections at any time during the Annual Enrollment window if needed.

6. After saving and submitting your choices, you'll receive a confirmation screen displaying your new coverage. Save the confirmation number and print the page for your records.

Please note that during the Annual Enrollment, you can choose to cover yourself, your spouse/domestic partner, your children, or opt out of coverage altogether, which results in a \$30 a month credit, taxable.

If you're a new hire, ensure to review the "Ready to Enroll Guide" provided. If you've experienced a qualified life event, you might be eligible to make changes to your benefits outside of the annual open enrollment period. For more details on qualified life events, please refer to the guide or contact IBM's HR support.
